High expectations

Contains core curriculum (including physical education, foreign language classes, sign language classes, visual arts, music, theater arts, and computer science)

After school sports

NHS MIDDLE SCHOOL PROGRAM

New Horizons School is a Place Where Children Develop the Love of Learning

New Horizons Middle School Program (6-8th grade)

NHS Middle School creates an environment where all are welcome. Highly qualified instructors set students on a path to success through creative, engaging, and focused instruction. Small class sizes allow teachers to meet the needs of individual students.

Benefits for Students

- Experienced Degreed Teachers
- Small Group Learning
- Leadership Opportunities
- Music and Theater Arts Classes
- Science Program Emphasizing Biology, Chemistry, and Physics
- Spanish Levels I, II, III
- Physical Education
- Supervised Homework
- Academic Field Trips
- Elective Courses
- Technology Based Teaching Using Notebooks, I pads and Lap Tops
- Computer Science
- Goal-Setting Benchmark Assessments

TeacherEase Web-Based Grade Book

Parents and students will receive an on-line account to help manage homework, communicate with teachers, and check grades daily.

Benchmark Assessments

To provide teachers with the opportunity to target key standards and to set goals in the classroom, math and language arts classes participate 3 benchmarks a year in reading, writing, and math before SAT testing in June.

Leadership Opportunities

Prior to high school, students will have opportunities to practice important life skills by participating in leadership from a principal mentorship program and through teacher led projects.

Hours of Operation

Our hours are 6:30 a.m. – 6:30 p.m. daily. School hours are 8:30 – 3:00 p.m. We cater to our working parents by offering morning and after school daycare, supervised homework and activity clubs (cost is included in your tuition).
