Self-Advocacy:

To demonstrate the power to take up for oneself even when it may be difficult to do so

Dear Parent/Guardian:

Our hearing with the City of Fremont will take place on Thursday, December 10th at 7:00 p.m. Following this hearing, construction on our new site is expected to begin. In preparation for the arrival of the modular classrooms, concrete paving, parking lot restriping, fencing, electrical and plumbing work will begin. We will also be adding new bicycle racks and recycling enclosures.

Join us in support of the construction phase. Due to the extent of our construction and as a result of Covid-19, we are preparing for a timely process understanding that parts of our campus will continue to be “a work in progress” until we’ve completed our desired vision. But to speed up the timeline, we are encouraging parents to share their need for an expedited process with the City of Fremont. We want our students to return to a “normal instruction” A.S.A.P. From a community standpoint, it will be important to hear just how much you depend on the fast reopening of New Horizons School. Join us on December 10th.

Here is an announcement from the City of Fremont to nearby residence. A copy and links will be posted on our website:

NHS Return to School News:

NHS would like to provide the option for a return to day care as soon as January 4, 2021 (if our district has moved out of the purple tier and there are no further shelter in place restrictions.) More updates will be provided later this month for instructions on a return to in-person learning in late January.

The Day Care option will provide parents the opportunity for sending their child to be part of small cohort groups supervised by daycare staff. While being monitored, students will continue to access synchronous and asynchronous live instruction via distance learning with their classroom teacher. Please see the survey for further information and complete the survey by December 11th to let us know if you are planning to participate. The link will also be available on our website.
