- Georgia-Pacific White Cardstock Paper, 8.5" x 11", 110 lb., 150 sheets (1)

□ You can find all these supplies at Wal-Mart (In store or online). Our desk will be much fuller this year with a binder, composition books, pencil/art box, daily read book, and phonics notebook. So, please do not bring anything other than the items requested. No crayons or fat markers are needed; there will be a large selection available to them. A self-contained pencil sharpener may be included in their box. If it becomes a distraction they will sent home.

Things to do **BEFORE** bringing supplies to class. Check off as you complete each task.

- Put 8 pocket dividers into the binder. Write your name on the inside, upper left corner, with a permanent marker. Put the paper tab labels in a divider pocket, we will use them in class.
- Write your name on the bottom of your Art Stretch Box (Pencil Box) with permanent marker.
- Put colored pencils, colored markers, paint box, highlighters and scissors inside it. (You can take these items out of their packaging to make more room.)
- On the inside cover of each composition notebook, write your name in the upper left-hand corner with a permanent marker.
- With a permanent marker write your name on the bottom of your Index Card Box. Put your ABC dividers inside it along with your 5x3 index cards.
- The glue sticks, erasers, sharpies, #2 pencil, and cardstock can remain in their packaging. I will open and hand them out to the class with the reminders going into the class supply box.
- All items can be put into a bag and placed under the desk you choose to sit at on the first day of school. *This is your first step into 3rd grade. Show me how organized and responsible you are going to be!*
